## Junior News

Hello to all the Redruth Archers Junior Members. My name is Karen Herrington and I am your new Junior Liaison Officer. I would like to take this opportunity to introduce myself to you and to encourage you to approach me with any queries, concerns or questions you may have.

I have been entering your scores into the DCAS and GWAS postal league (GWAS Division 2: for October, Redruth are in 1st position) and if you would like to see your current ranking please ask. (I would like more of you to compete in this, it's just for fun). I am planning a slight change when we start the outdoor season and will be encouraging you to shoot recognised rounds so you can submit your scores and try to get a Classification. I will help you by providing you with information on the distances you need and how many arrows you need to shoot at each distance. Well that's all for now.....  
 Karen.

**For Juniors:** A junior team has been entered for the DCAS Portsmouth Round (5 dozen arrows) and a Team entered for GWAS Junior Indoor Postal League (3 dozen arrows).  
 Co-ordinator: Karen Herrington
